### REMARKS

#### The Restriction Requirement

The Examiner has required election under 35 U.S.C. § 121 to a single disclosed species. The Examiner contends that the claims are "generic to a plurality of disclosed patentably distinct species comprising purines, pyridines, and quinoxalines."

In response to the Examiner's requirement, applicants elect for further prosecution compound I-2 (see page 30, paragraph [0099]) without traverse.

Applicants reserve the right to pursue the unelected subject matter in continuing applications claiming priority herefrom.
